 - (i) for consideration or no consideration;
 - (ii) on the basis that the exercise price for a Unit to be issued on exercise of the Option is the price determined by the Responsible Entity, provided that the exercise price is less than the price that would otherwise apply under this Constitution by a percentage not exceeding 50%; and

 - (iii) the notice of postal ballot must contain the text of the Resolution and the date for closing of the ballot and may contain any other information the Responsible Entity considers appropriate;
 - (iv) each ballot paper must specify the name of the person entitled to vote;

4.12 Entitlement to vote on approving Resolution

- (a) The only persons entitled to vote on the approving Resolution are those persons who, as at the end of the day on which the first offer under the bid was made, held bid class securities. Each person who is entitled to vote is entitled to one vote for each bid class security held by that person at that time.

- (b) Neither the bidder nor any associate of the bidder is entitled to vote on the Resolution.

4.13 When approving Resolution passed

If the Resolution is voted on in accordance with clauses 4.10 to 4.12 then it is to be taken to have been passed if the proportion that the number of votes in favour of the Resolution bears to the total number of votes on the Resolution is greater than one-half, and otherwise is taken to have been rejected.

4.14 If approving Resolution has not been voted on

If a Resolution to approve the bid has not been voted on as at the end of the day before the fourteenth day before the last day of the offer period, then a Resolution to approve the bid is taken to have been passed in accordance with clauses 4.11 to 4.13.

4.15 Cessation of clauses 4.10 to 4.14

While Stapling applies, the number of issued Units at any time must equal the number of issued Attached Securities of each category but disregarding any Attached Securities held by or on behalf of a Stapled Entity or a subsidiary of a Stapled Entity.

4.18 Joint holders of Units

Where two or more persons are registered as the holders of a Unit or Stapled Securities ("joint Members") they are, for the purpose of the administration of the Trust and not otherwise, deemed to hold the Unit or Stapled Securities as joint tenants, on the following conditions:

- (a) the Responsible Entity shall not be bound to register more than three persons as joint holders of the Unit or Stapled Securities;
- (b) the joint Members shall be jointly and severally liable in respect of all payments including payments of Tax that ought to be made in respect of the Unit or Stapled Securities;
- (c) on the death of a joint Member, the survivor or survivors shall be the only person or persons whom the Responsible Entity will recognise as having any title to the Unit or Stapled Securities, subject to the production of any evidence of death that the Responsible Entity requires;
- (d) any one of the joint Members may give an effective receipt that discharges the Responsible Entity in respect of any payment or distribution; and

- (e) only the person whose name appears first in the Register as one of the joint Members in respect of a Unit or Stapled Securities shall be entitled to delivery of any notices, cheques or other communications from the Responsible Entity, and any notice, cheque or other communication given to that person is deemed to be given to all the joint Members.

If the Responsible Entity accepts a transfer of property other than cash any costs associated with the valuation or transfer of the property must be paid by the Member either directly or by deducting them from the market value of the property before the number of Units to be issued is calculated, as the Responsible Entity decides.

5.4 Amount of payment

For the purposes of clause 5.3 and subject to clause 9:

- (a) payment in respect of a Unit must be an amount equal to the Application Price; and

5.9 Uncleared funds

Units issued against application money paid other than in cleared funds, or in consideration of a transfer of property, are void if the funds are not subsequently cleared or the property does not vest in the Responsible Entity within one Month of the date of the Units are taken to be issued in accordance with clause 5.8 or such other period as the Responsible Entity determines.

5.10 Register while Stapling applies

Subject to the Corporations Act while Stapling applies a single register may be kept in which details of the holders of Units and the holders of Attached Securities are recorded.

- (c) entitle the holder of such Units to receive a distribution of income of the Trust in respect of the Distribution Period in which such Units are issued which is not greater than the proportion of the income of the Trust to which a Member holding a Unit during the whole of that Distribution Period is entitled multiplied by the number of days from and including the date of allotment of those Units to the end of that Distribution Period divided by the total number of days in that Distribution Period.

6 Application Price for Units

6.1 Application Price

Subject to any rights, obligations and restrictions attaching to any particular Units or Class, a Unit must only be issued at an Application Price:

- (a) while Units are Officially Quoted, subject to paragraphs (b), (c), (d) and (e), equal to the weighted average Market Price of the Units or, where Stapling applies, the Market Price of the Stapled Securities minus the application price of each Attached Security or the amount determined by the Responsible Entity in accordance with clause 6.8 during the 10 ASX Business Days immediately prior to the date upon which the Application Price is to be calculated;

$$\frac{\text{Net Asset Value} + \text{Transaction Cost}}{\text{Number of Fully Paid Units}}$$

Each of the variables must be determined with reference to a Class of interest and as at the next Valuation Time after:

- (i) the Responsible Entity receives or is deemed to receive the application for Units; or

- (ii) the Responsible Entity receives the application money, or the property against which Units are to be issued is vested in the Responsible Entity,

whichever happens later.

6.3 Receipt of and application

For the purposes of clause 6.1(f)(i) the day and time of receipt of an application for Units is:

- (b) while Stapling applies, the same persons are at the same time offered identical numbers of Attached Securities which will be Stapled to the Units offered;
- (c) the price is at least equal to the Initial Public Offer Institutional Price:
 - (i) where Units are to be quoted as part of a Stapled Security and it is proposed to issue Stapled Securities at an application price less than the aggregate of the NAV Prices of the Unit and the Attached Securities as the case may be on a day not more than 5 Business Days prior to the date on which an offer document pursuant to which the offer is made is lodged with ASIC, the aggregate of the relevant Unit application price and the application price of the Attached Securities is not less than 90% of the aggregate NAV Prices of the Unit and the Attached Securities as at a date not more than 5 Business Days prior to the date on which the offer document pursuant to which the offer is made is lodged with ASIC; and
 - (ii) in all other cases where it is proposed to issue Units at an application price less than the NAV Price of a Unit on a day not more than 5 Business Days prior to the date on which an offer document pursuant to which the offer is made is lodged with the ASIC, the relevant application price is not less than 90% of the NAV Price of a Unit as at a date not more than 5 Business Days

prior to the date on which the offer document pursuant to which the offer is made is lodged with the ASIC.

While Stapling applies an offer of Units under this clause 6.4 may only be accepted if the offeree at the same time accepts that offer of Units and the offer of Attached Securities referred to above.

6.5 Rights issues

The following provisions apply to rights issues:

- (a) while Units are Officially Quoted, the Responsible Entity may (subject to the terms of any applicable ASIC Relief) offer further Units for subscription at a price determined by the Responsible Entity to those persons who were Members on a date determined by the Responsible Entity not being more than 30 days immediately prior to the date of the offer, provided that:
 - (i) all Members are offered Units at the same Application Price on a pari passu basis (whether or not the right of entitlement is renounceable);
 - (iii) all the Units so offered are in the same Class; and
 - (iv) where it is proposed to issue Units at an Application Price less than the price which would otherwise apply under clauses 5.1(a), the relevant Application Price is not less than 50% of that price which would otherwise apply to the Units, or where Stapling applies, the Market Price of Stapled Securities minus the application price of each Attached Security (as determined under clause 6.8),

but, subject to the Listing Rules, the Responsible Entity is not required to offer Units under this clause to persons whose address on the Register is in a place other than Australia and New Zealand.

- (b) The Responsible Entity may adjust any entitlement to accord with the Listing Rules and in the case of fractions, the Responsible Entity must offer the next higher whole number of Units. Any Member may, unless the terms of issue provide otherwise, renounce its entitlement in favour of some other person.
- (c) Any Units offered under this clause 6.5 which are not subscribed for within the period during which the offer is capable of acceptance may be offered for subscription by the Responsible Entity to any person, provided that the Application Price is not less than that at which Units were originally offered to Members. provided that the Responsible Entity complies with the Listing Rules applicable to the issue and the terms of any applicable ASIC relief.

While Stapling applies, an offer of Units under this clause 6.6 may only be accepted if the offeree contemporaneously accepts that offer of Units and the offer of Attached Securities referred to in this clause 6.6.

6.7 Reinvestment

- (a) If reinvestment applies while the Units are Officially Quoted, the Application Price for each additional Unit (or the aggregate of the Application Price of each additional Unit and the application price for the Attached Securities if Stapling applies) is the weighted average of all sales of Units (or, while Stapling applies Stapled Securities) recorded on the ASX during the first 5 Trading Days following the end of the period to which the distribution relates (unless the Responsible Entity believes that this calculation does not provide a fair reflection of the market price of the Units or the Stapled Securities during this period in which event there shall be substituted for the amount so calculated the market price of the Units or the Stapled Securities as determined by an expert independent of the Responsible Entity whose identity and instructions will be determined by the Responsible Entity) less such discount, if any, not exceeding 10% as the Responsible Entity may determine.
- (b) While Stapling applies the allocation of the application price for a Stapled Security between the Application Price for each Unit and the application price for the Attached Securities is to be determined in accordance with clause 6.8.
- (c) If the amount to be reinvested in additional Stapled Securities results in a fraction of a Unit or Stapled Security the money representing the fraction will be held for future reinvestment in the Trust and, if applicable, the Stapled Entities at the next time that reinvestment is to occur (where Stapling applies in such proportions as the Responsible Entity and the Stapled Entities may determine on behalf of the relevant Stapled Security Holder).

6.8 Determination of Application Price where Stapled Securities are issued

- (a) Where:
 - (i) Stapling applies:
 - (ii) as a consequence, a Unit is to be issued as part of a Stapled Security; and
 - (iii) this Constitution contains a provision for the calculation or determination of the application price for the Stapled Security but not for the Unit,

the Responsible Entity must determine what part of the application price of a Stapled Security is to represent the Application Price of a Unit for the purposes of this Constitution.
- (b) Unless otherwise agreed between the Responsible Entity and:

- (i) in relation to any Stapled Entity that is a company, the Stapled Entity: and
- (ii) in relation to any Stapled Entity that is a managed investment scheme, the responsible entity of the Stapled Entity,

the application price of a Stapled Security will be allocated between the Application Price of the Unit and the application price of the Attached Securities in the ratio that the net assets (adjusted for the net market value of their investments) of each of the Trust and each of the Stapled Entities at the end of the relevant period immediately prior to the issue bears to the amount of the aggregate net assets (adjusted for the net market value of their investments) of the Trust and the Stapled Entities at that time.

7 Withdrawal Price of Units

7.1 Withdrawal Price

Subject to clause 9.3 and any rights, obligations and restrictions attaching to any particular Units or Class, a Unit must only be redeemed at a Withdrawal Price calculated as:

$$\frac{\text{Net Asset Value} + \text{Transaction Costs}}{\text{Number of Fully Paid Units on issue}}$$

7.2 Withdrawal Price

- (a) For so long as Units are partly paid the Uncalled Amount must be deducted from the Withdrawal Price calculated under clause 7.1.
- (b) Each of the variables in clause 7.1 must be determined:
 - (i) while the Trust is Liquid - as at the next Valuation Time after the Responsible Entity receives the withdrawal request; or

8 Withdrawal procedures

8.1 While Units Officially Quoted

While Units are Officially Quoted clauses 8.2 to 8.4 do not apply.

8.2 Request for withdrawal

- (a) A Member may make a withdrawal request for the withdrawal of some or all of their Units in any manner and on such conditions as approved by the Responsible Entity, and the Responsible Entity may (but is not required to) give effect to that request. If the Responsible Entity gives effect to the request it must do so in the manner set out in this clause 8.
- (b) A Member may not withdraw a withdrawal request unless the Responsible Entity agrees.

8.3 When Trust is Liquid

- (a) Clause 8.3 applies only while the Trust is Liquid.
- (b) If the Responsible Entity decides to satisfy a withdrawal request in respect of a Unit it must do so by payment from the Assets of the Withdrawal Price calculated in accordance with clause 7. The payment must be made within 30 days of receipt of the request or such longer period as allowed by clause 8.3(c).
- (c) If the Responsible Entity does not consider that it is in the best interests of Members taken as a whole to realise sufficient Assets to satisfy a withdrawal request, the period allowed for satisfaction of the request may be extended by the number of days during which such circumstances apply.

8.4 When Trust is not Liquid

- (a) Clause 8.4 applies only while the Trust is not Liquid.
- (b) A Member may withdraw from the Trust in accordance with the terms of any current withdrawal offer made by the Responsible Entity under the Corporations Act and this constitution regulating offers of that kind. A Member may agree to withdraw from the Trust by way of a standing power of attorney or another authority given in favour of the Responsible Entity or any other person to accept an offer on its behalf.
- (c) If there is no withdrawal offer currently open for acceptance by Members, a Member has no right to withdraw from the Trust.
- (d) The Responsible Entity may make a withdrawal offer by:
 - (i) publishing it by any means (for example including, without limitation, in a newspaper or on the internet); or
 - (ii) giving a copy to the Members or Members of a Class.

However, the Responsible Entity is not at any time obliged to make a withdrawal offer.

- (e) The Responsible Entity may cancel a withdrawal offer by:
 - (i) publishing a notice of cancellation by any means (for example including, without limitation, in a newspaper or on the internet); or
 - (ii) notice in writing to the Members to whom the withdrawal offer was made.

- (f) If the Responsible Entity receives a withdrawal request before it makes a withdrawal offer, it may treat the request as an acceptance of the offer effective as at the time the offer is made.

8.5 Clauses applicable to all withdrawals

- (a) The Responsible Entity is not obliged to pay any part of the Withdrawal Price out of its own funds.
- (b) Subject to the Corporations Act (if relevant), the Responsible Entity need not give effect to a withdrawal request in respect of Units having an aggregate Withdrawal Price of less than the minimum application amount or such other amounts as determined by the Responsible Entity from time to time unless the withdrawal request relates to the balance of the Member's holding.
- (c) Subject to the Corporations Act (if relevant), if compliance with a withdrawal request would result in the Member holding Units with an aggregate Withdrawal Price which is less than the then current minimum holding amount, the Responsible Entity may treat the withdrawal request as relating to the balance of the Member's holding.
- (d) If a Member holds Units with an aggregate Withdrawal Price less than the then current minimum holding amount, the Responsible Entity may redeem that Member's holding without a withdrawal request.
- (e) If the Responsible Entity increases the minimum holding amount, the Responsible Entity may after giving 30 days' notice to a Member who holds Units with an aggregate Withdrawal Price less than the then current minimum holding amount redeem that Member's holding without the need for a withdrawal request.

8.6 Discretionary withdrawal

If the Responsible Entity is not obliged to give effect to a withdrawal request, it may in any event, redeem some or all of the Units which are the subject of the request.

8.7 Sums owed to Responsible Entity

The Responsible Entity may deduct from the proceeds of withdrawal or money paid pursuant to a withdrawal offer any money due to it by the Member.

8.8 Transfer of Assets

- (a) The Responsible Entity may transfer part of the Assets to a Member rather than pay cash in satisfaction of all or part of a withdrawal request, pursuant to a withdrawal offer or in payment of a distribution. These Assets, together with any cash paid, must be of equal value to the total amount due to the Member pursuant to the withdrawal request, withdrawal offer or distribution (based on a valuation which is consistent with the range of ordinary commercial practice for valuing assets of that type and be reasonably current). If the Responsible Entity requires, some or all of the costs involved in transfer of these Assets must be paid by the Member or deducted from the amount due to the Member.
- (b) The Responsible Entity may direct an amount arising from the sale of an Asset to a particular Member, who shall be taken to have a present entitlement in that amount, if the Member redeems one or more of their Units and the direction is made to fund the redemption.

8.9 Withdrawal instead of transfer

- (a) The Responsible Entity may facilitate the purchase of Units by another person.
- (b) If a person wishes to purchase any Units then subject to ASIC Relief, the Responsible Entity may determine (at the request of a Member or otherwise) that the purchase is to be effected by the withdrawal of those Units and the issue of the same number of Units to the purchaser (in each case at the agreed price for the issue of Units and the agreed price for the withdrawal of Units), rather than by a transfer of the Units. If the Responsible Entity makes a determination, the purchase may only be affected in that manner and the foregoing provisions of this clause 8 do not apply.

8.10 Buy-back of Units

While the Trust is Listed the Responsible Entity may, subject to and in accordance with the Corporations Act (including any modifications thereof) and any requirements under the Listing Rules purchase Units and cause the Units to be cancelled. No Redemption Price is payable upon cancellation of the Units. Where the Units comprise part of Stapled Securities the Responsible Entity may only buy back and cancel the Units if the Attached Securities are also the subject of contemporaneous buy-back and cancellation. Where Units are purchased as part of a Stapled Security pursuant to a buy-back arrangement, the Responsible Entity must determine what proportion of the price paid for the Stapled Security is to be paid from the Assets of the Trust on the same basis as set out in clause 6.8 for the Application Price of Units.

8.11 Withdrawal while Stapling applies

While Stapling applies the Responsible Entity may not withdraw a Unit unless each Stapled Entity also redeems or buys back and cancels the corresponding Attached Securities or the Attached Securities are unstapled from the Unit to be withdrawn.

9 Partly Paid Units

9.1 Partly Paid Units

The Responsible Entity may determine that the Application Price of any Unit or Class of Units may be payable by instalments of such amounts and at such times as the Responsible Entity determines or if the Responsible Entity so determines by a single instalment payable at such time as the Responsible Entity determines. If it does so, the following provisions of this clause 9 apply.

9.2 Must also issue partly paid Attached Securities

While Stapling applies Units may not be issued on the basis that they are Partly Paid Units unless there is a contemporaneous and corresponding issue of Attached Securities which are to be partly paid. While Stapling applies any issue of Partly Paid Units shall be on the basis that a call will not be regarded as having been validly paid unless any amount payable at the same time in relation to the partly paid Attached Securities is also paid.

9.3 Variation or waiver of terms and conditions

Subject to any applicable statutory duty requiring the Responsible Entity to treat Members of the same Class equally and those of different Classes fairly, where Units are offered for sale or subscription on terms and conditions determined and set out in accordance with clause 9.1, those terms and conditions may be varied or compliance therewith waived only with the

consent of the Responsible Entity. The variation or waiver must not take effect during the currency of the offering document pursuant to which the Units were offered for sale or subscription.

9.4 Subscription amount

For the purposes of clause 6:

- (a) payment in respect of a Unit must be an amount equal to the Subscription Amount;
- (b) transfer of property in respect of a Unit must have a value equal to the Subscription Amount plus any costs associated with the transfer of the property incurred by the Responsible Entity.

9.5 Notice of instalments

- (a) The Responsible Entity must give Members:
 - (i) if the Trust is not Listed at least 3 Business Days' notice; or
 - (ii) if the Trust is Listed, at least 30 Business Days' notice (but not more than 40 Business Days' notice),of the time and date each instalment is due to be paid (**First Notice**).
- (b) If the Trust is Listed:
 - (i) the notice must contain such other information as is required by the Listing Rules (or ASX under the Listing Rules); and
 - (ii) at least 4 Business Days before the date each instalment is due to be paid, the Responsible Entity must send a second notice to all new Members and those Members whose holding has changed since the First Notice which must include any changes that have occurred in the information given in the First Notice because of a change in the holding.

9.6 Unpaid instalment

If a Member fails to pay in full any instalment due on any Partly Paid Unit on or by the date specified for payment, the Responsible Entity may give the Member a notice requiring payment by a nominated date (not earlier than 10 days from the date of notice) of any part of the Uncalled Amount together with all reasonable expenses incurred by the Responsible Entity as a result of non-payment and interest determined in accordance with clause 9.7 from the date the call was due. The notice must also state that in the event of non payment on or by that specified time and day, the Partly Paid Units in respect of which the instalment or part instalment remains unpaid will be liable to be forfeited and, while Stapling applies, an equal number of Attached Securities will also be liable to be forfeited. If Units are Officially Quoted, the notice must contain such other information as is required by the Listing Rules (or ASX under the Listing Rules).

9.7 Instalments generally

If a Member does not pay an instalment by the due time and date then interest is payable on the sum due from the date payment was due to the time of payment at such rate as the Responsible Entity determines not exceeding BBSW plus 2% per annum. Interest is

calculated daily and payable Monthly in arrears. The Responsible Entity may waive payment of that interest in whole or part:

- (a) the Responsible Entity may revoke or postpone the payment of an instalment;
- (b) subject to the Listing Rules if the Trust is Listed, an instalment shall be deemed to be due on the date determined by the Responsible Entity;
- (c) subject to the Listing Rules if the Trust is Listed, the non-receipt of a notice that an instalment is due by, or the accidental omission to give a notice that an instalment is due to a Member shall not invalidate the instalment being due;
- (d) subject to the Corporations Act and, if the Trust is Listed, the Listing Rules the Responsible Entity may extinguish in full or in part any liability of Members in respect of any moneys unpaid on Members' Units;
- (e) subject to the Listing Rules if the Trust is Listed, any instalment which by the terms of issue of the Unit becomes payable on issue of the Unit or at any date fixed by or in accordance with such terms of issue shall be deemed to be an instalment which the Responsible Entity has given Members notice of in accordance with clause 9.5. In the case of non-payment all the provisions of this Constitution as to payment of interest forfeiture or otherwise shall apply as if such notice had been given.

9.8 Forfeiture

If the requirements of any notice issued under clause 9.5 not complied with:

- (a) any Partly Paid Unit in respect of which the notice has been given (together with any Attached Securities) may at any time after the date specified in the notice for payment of the amount required by the notice (and before payment of the instalment and any interest and expenses owing), be forfeited on the Responsible Entity so determining; and
- (b) subject to the Listing Rules if Units are Officially Quoted, the Corporation Act, and this Constitution, all voting rights entitlements to the distribution of income and other rights in connection with any Partly Paid Unit and any Attached Securities in respect of which the notice has been given are suspended until reinstated by the Responsible Entity.

9.9 Joint holders

Joint holders of Partly Paid Units are jointly and severally liable to pay all amounts due and payable on the Partly Paid Units held by them.

9.10 Rights and obligations attaching to a Partly Paid Unit are in proportion

Subject to the Corporations Act and the provisions of this Constitution the rights and obligations attaching to a Partly Paid Unit will be in proportion to the extent to which that Unit is paid up.

9.11 Forfeited Units may be disposed of

- (a) Subject to this Constitution, a forfeited Unit (together with any Attached Securities) may be sold or otherwise disposed of as a Fully Paid Unit (together with any Attached Securities) either:

- (i) while the Units are Official Quoted:
 - (A) subject to any necessary relief from ASIC at a price equal to that received from the sale of the securities in the normal course of business on the ASX less if applicable the fair value as determined by the Responsible Entity for the Attached Securities; or
 - (B) in accordance with section 254Q of the Corporations Act other than sub-sections (1), (9), (10) and (13), as if the Units were shares, the Trust was the company, and the Responsible Entity was each director of the company, less if applicable, the fair value as determined by the Responsible Entity for the Attached Securities.
- (ii) while the Trust is a Registered Scheme, but the Units are not Official Quoted:
 - (A) at a price which is no less than a price calculated in accordance with clause 6.1(f) less the Uncalled Amount (if any) in respect of that Unit; or
 - (B) in accordance with any applicable ASIC Relief in relation to the sale of forfeited Units;
- (iii) while the Trust is not a Registered Scheme at any price the Responsible Entity can obtain;

and in any case such Unit will:

- (v) be credited as paid up to the sum of the amount paid up on the Unit on the day of the forfeiture and the amount of the call and the amount of any other calls becoming payable on or before the date of the sale; and
 - (vi) continue to be subject to a liability to pay an amount equal to the Uncalled Amount (if any) in accordance with this Constitution.
- (b) A statement signed by a duly authorised officer of the Responsible Entity that a Partly Paid Unit and the Attached Securities have been duly forfeited on a date stated therein is conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the forfeited Units and the Attached Securities.
 - (c) The Responsible Entity will receive the proceeds of sale and may, as attorney of the relevant Member, execute a transfer of the forfeited Unit in favour of the purchaser of the Unit and the Member authorises the Responsible Entity and appoints the Responsible Entity as its attorney to do so. As soon as practicable after the transfer is executed, such person must be registered as the Member and holder of the relevant Attached Securities and will not be bound to see to the application of the proceeds of sale nor will their title to the Unit be affected by any irregularity or invalidity in the proceedings in relation to the forfeiture or sale of the Units.
 - (d) The purchaser remains liable to pay the amount equal to the Uncalled Amount (if any) on the Unit in accordance with the terms of this Constitution.
 - (e) The proceeds of sale of any forfeited Unit must be applied in the following order:
 - (i) to the payment of all costs and expenses incidental to the forfeiture and sale;

- (ii) to the payment of any interest;
 - (iii) on account of the amount of which the notice referred to in clause 9.5 was given, and
 - (iv) to payment of the balance (if any) remaining to the Member whose Units have been forfeited and sold.

 - (ii) in discharging its obligations the underwriter has purchased Units at public auction held under clause 9.11(a)(i) at a price which is more than the market price of a Fully Paid Unit the Responsible Entity is liable to pay the underwriter in respect of each Unit so purchased an amount equal to the difference between the market price of a Fully Paid Unit and the price paid by the underwriter for the Unit at public auction.
 - (iii) For the purposes of this clause 9.11(f), the market price of a Fully Paid Unit is the last sale price of a Fully Paid Unit on the ASX on the Business Day immediately preceding the public auction, or, if there is no such price then the last sale price of such a Unit on the ASX prior to that date.
- (g) The former Member whose Partly Paid Unit was forfeited is liable to the Responsible Entity in respect of those forfeited Units, and may be sued for:

 - (iii) all costs incurred by the Responsible Entity in procuring payment from the former Member.
- (h) Where the Responsible Entity is liable to the underwriter as contemplated by clause 9.11(f) the Responsible Entity may assign to the underwriter the Responsible Entity's right of action under clause 9.11 against the former Member in full satisfaction of such liability of the Responsible Entity to the underwriter.

9.12 Remaining liability

The Member whose Unit was forfeited ceases to be a Member from the nominated date referred to in clause 9.8 but remains liable to pay to the Responsible Entity:

- (a) all unpaid amounts in respect of the forfeited Units;
- (b) the costs and expenses of the forfeiture and disposal; and
- (c) interest on the unpaid calls at the rate determined under clause 9.7 from the date forfeiture,

but their liability in respect of the matters listed at (a), (b) and (c) above (but not otherwise) ceases if and when the Responsible Entity receives payment in full of all amounts owing in respect of the Units.

9.13 Cancelling forfeiture

The Responsible Entity may cancel forfeiture before the Units are disposed of on such terms as it determines, and must do so if the Member pays the amounts owing in respect of the Units.

9.14 Income distribution in relation to Partly Paid Units

For the purposes of a distribution under clause 11, a Partly Paid Unit must be treated as a fraction of a Unit of which the numerator is the amount paid-up in respect of the Unit for the relevant Distribution Period and of which the denominator is the total Application Price for that Unit, rounded on such basis as the Responsible Entity determines.

10 Transfer

10.1 Transfer of Units and Options if not Officially Quoted

- (a) Members may request the Responsible Entity to register transfers of all or any of the Units or Options held by them.
- (b) A transfer of Units or Options is not effective until it has been recorded in the Register.
- (c) All transfers of Units or Options shall be effected by an instrument of transfer in a form and in a manner approved by the Responsible Entity.

10.2 Transfer of Units and Options if Officially Quoted

If the Units and/or Options are Officially Quoted, Units and/or Options may be transferred in any manner permitted by the Operating Rules of a CS Facility. The Responsible Entity may require before registration of any such transfer that there be provided to the Responsible Entity any documents which the rules of the uncertificated system require or permit the Responsible Entity to require be provided to it to authorise registration. This clause 10.2 prevails over any other provision of this Constitution that may be inconsistent with it but it does not permit the Responsible Entity to refuse to register a proper transfer made in accordance with the Operating Rules of a CS Facility.

10.3 Responsible Entity may request holding lock or refuse to register transfer

If Units or Options are Officially Quoted, and if permitted to do so by the Listing Rules, the Responsible Entity may:

 - (i) the Listing Rules require the Trust to do so;
 - (ii) registration of the transfer is prohibited by clause 4.10(b); or
 - (iii) the transfer is in breach of the Listing Rules or a Restriction Agreement.

10.5 Notice of holding locks and refusal to register transfer

If in the exercise of its rights under clauses 10.3 and 10.4 the Responsible Entity requests application of a holding lock to prevent a transfer of Units or Options or refuse to register a transfer of a security they must give written notice of the request to the holder of the Units or Options, to the transferee and the broker lodging the transfer, if any. Failure to give such notice does not invalidate the decision of the Responsible Entity.

10.6 Responsible Entity must retain instruments of transfer

The Responsible Entity must retain every instrument of transfer which is registered for such period as the Responsible Entity determines.

10.7 Return of refused transfers

If the Responsible Entity refuses to register a transfer, the transfer must be returned to the person who deposited it if demand is made within 12 Months of the giving of the notice of refusal to register unless there has been an allegation of fraud concerning the transfer of the transaction to which it relates.

- (b) Subject to the Listing Rules, the Responsible Entity may refuse to register any transfer or transmission pursuant to this clause or to recognise any claim without providing any reason.

10.11 Stapled Securities

While Stapling applies and subject to the Corporations Act and the Listing Rules (if the Listing Rules apply):

- (a) the Responsible Entity must not register any transfer of Units, unless it is a single instrument of transfer of Stapled Securities and any provision of this Constitution inclusive referring to a transfer of Units will be deemed to be a reference to such a transfer; and
- (b) a reference in this clause 10 to a Unit will be deemed to be a reference to a Stapled Security.

- (c) Distributable Income for a Financial Year will be the amount the Responsible Entity determines to be the distributable income being, unless otherwise determined by the Responsible Entity in its discretion:
- (i) the amount which if distributed in cash to Members for the period would prevent the Responsible Entity being liable to tax on the income of the Trust under section 99 or section 99A of the Tax Act for the Financial Year as if the period is a year of income and taking into account any adjustments required as a result of any direction made by the Responsible Entity under clause 8.8(b); and
 - (ii) any additional amount which the Responsible Entity considers appropriate for distribution for the period.
- (d) The Responsible Entity may decide the classification of any item as being on income or capital account and the extent to which reserves or provisions need to be made.

13.2 Present entitlement

A person who at any time during the Financial Year is or has been a Member, is presently entitled to the Income of the Trust for the Financial Year, in the proportion that the Income Distributions made to the Member in respect of the Financial Year bear to the sum of the Income Distributions made to all persons who are or have been Members at any time during the Financial Year (subject to any adjustments required as a result of any direction made by the Responsible Entity under clause 8.8(b)).

13.6 Trust taxed as company

If the Trust is to be taxed as if it were a company, the Responsible Entity may determine that this clause 13.6 applies to a Financial Year instead of clauses 13.1(b) to 13.5. If it does so:

- (a) as soon as practicable after the end of the first Distribution Period in the Financial Year, the Responsible Entity must determine:
 - (i) if there is to be any Distributable Income for the Distribution Period; and
 - (ii) if so, the amount of the Distributable Income;
- (b) the Responsible Entity may determine the extent to which the Distributable Income (if any) comprises profits, retained profits, capital, returned capital or income of a particular character;
- (c) at the end of the Distribution Period, a Member is entitled to a Distribution Entitlement, calculated as follows:

$$\frac{A \times C}{B}$$

B is the number of Units held by all Members at the end of the Distribution Period;
and

- (b) While Stapling applies no reinvestment may occur unless contemporaneously with the reinvestment in additional Units the Member subscribes for or purchases an identical number of Attached Securities which when issued or acquired (respectively) are then Stapled to the additional Units. The Responsible Entity may make provision for and make payment of the subscription or purchase price for such Attached Securities out of the distribution or income (as applicable) which is otherwise available for reinvestment.
- (c) If reinvestment applies, the Responsible Entity is deemed to have received an application to reinvest distributions on the first Business Day after the distribution is paid at an Application Price determined in the same manner as if it were being determined in accordance with clause 6.7 and the terms of the distribution reinvestment plan.

13.9 Money held for future reinvestment

Whenever under this Constitution or by law money is held on behalf of a Member for future reinvestment the money so held may in the discretion of the Responsible Entity be aggregated and on each occasion on which the aggregated amount reaches the Application Price of a Unit and while Stapling applies, the aggregate application price of any Attached Securities be applied in the subscription for a new Unit and any new Attached Securities for issue to the Member.

13.10 Units issued on reinvestment

Units issued under clauses 13.8 and 13.9 inclusive are to participate fully for income in respect of the Distribution Period in which they are issued.

- (b) In exercising its powers and carrying out its duties, the Responsible Entity must treat the Members who hold interests of the same Class equally and Members who hold interests of different Classes fairly, except to the extent that the Responsible Entity directs an amount arising from the sale of an Asset to a particular Member in the circumstances described in clause 8.8(b).
- (c) The generality of this clause 14.1 is not limited by anything in the remainder of this clause 14.

14.2 Contracting powers

25 Small holdings

25.1 Application of this clause

This clause 25 applies while the Units are Officially Quoted. In this clause 25, market value is the price used to calculate a marketable parcel under the Listing Rules.

25.2 Responsible Entity's right to sell Small Holdings

Subject to the provisions of this clause 25, the Responsible Entity may in its discretion from time to time sell or redeem any Units held by a Member that is a Small Holder without request by the Small Holder.

25.3 Divestment Notice

If the Responsible Entity determines that a Member is a Small Holder, the Responsible Entity may give notice to the Member:

- (a) that the Member is a Small Holder, the number of Units making up and the market value of the Small Holding, the date on which the market value was determined and the Relevant Period;
- (b) that unless the Small Holder tells the Responsible Entity that the Small Holder wishes to retain the Relevant Units before the Relevant Period lapses, the Responsible Entity intends to sell the Relevant Units in accordance with this clause 25 after the end of the Relevant Period specified in the Divestment Notice;
- (c) after the end of the Relevant Period, if the Small Holder has not informed the Responsible Entity that it wishes to retain the Units making up the Small Holding, the Responsible Entity may for the purpose of selling the Relevant Units that are in a CS Facility holding initiate a holding adjustment to move those Units from that CS Facility holding to an Issuer Sponsored Holding or certificated holding.

If the Operating Rules of a CS Facility apply to the Relevant Units, the Divestment Notice must comply with those Operating Rules.

25.4 Relevant Period

The Relevant Period must be at least six weeks from the date the Divestment Notice was given.

25.5 Limitation on Responsible Entity's right to sell

The Responsible Entity will not sell or redeem the Relevant Units:

- (a) before the expiry of 6 weeks from the date of the Divestment Notice; or
- (b) if within the 6 weeks allowed by clause 25.4:

 - (ii) the market value of the Small Holding held by the Small Holder increases to at least a marketable parcel as provided in the Listing Rules.

25.6 Responsible Entity can sell Relevant Units

At the end of the Relevant Period, if the Small Holder has not advised the Responsible Entity that the Small Holder wishes to retain the Relevant Units, the Responsible Entity is entitled to sell on-market or in any other way determined by the Responsible Entity the Relevant Units of the Small Holder.

25.7 No obligation to sell

The Responsible Entity is not bound to sell any Relevant Units which it is entitled to sell under this clause 25 but unless the Relevant Units are sold within 10 weeks after the end of the Relevant Period, the Responsible Entity's right to sell the Relevant Units under the Divestment Notice relating to those Units lapses and it must notify the Member to whom the Divestment Notice was given accordingly.

25.8 Responsible Entity as Member's attorney

To effect the sale and transfer by the Responsible Entity of Relevant Units of a Member, the Member appoints the Responsible Entity and each director and secretary of the Responsible Entity jointly and severally as the Member's attorney in the Member's name and on the Member's behalf to do all acts and things which the Responsible Entity considers necessary, desirable or reasonably incidental or appropriate to effect the sale or transfer of the Relevant Units and in particular:

- (a) to initiate a holding adjustment to move the Relevant Units from a CS Facility holding to an Issuer Sponsored Holding or a certificated holding; and
- (b) to execute on behalf of the Member all deeds, instruments or other documents necessary to transfer the Relevant Units and to deliver any such deeds, instruments or other documents to the purchaser.

25.9 Conclusive evidence

A statement in writing by or on behalf of the Responsible Entity under this clause 25 is binding on and conclusive against (in the absence of manifest error) a Member. In particular, a statement that the Relevant Units specified in the statement have been sold in accordance with this clause 25 is conclusive against all persons claiming to be entitled to the Relevant Units and discharges the purchaser from all liability in respect of the Relevant Units.

25.10 Registering the purchaser

The Responsible Entity must register the purchaser of Relevant Units as the holder of the Relevant Units transferred to the purchaser under this clause. The purchaser is not bound to see to the application of any money paid as consideration. The title of the purchaser to the Relevant Units transferred to the purchaser is not affected by any irregularity or invalidity in connection with the actions of the Responsible Entity under this clause 25.

25.11 Payment of proceeds

Subject to clause 25.12, where:

- (a) Relevant Units of a Member are sold by the Responsible Entity on behalf of the Member under this clause 25; and

the Responsible Entity must, within 60 days of the completion of the sale, send the net proceeds of sale to the Member entitled to those proceeds by sending a cheque payable to the Member through the post to the address of the Member shown in the Register, or in the case of joint holders, to the address shown in the Register as the address of the Member whose name first appears in the Register. Payment of any money under this clause 25.11 is at the risk of the Member to whom it is sent.

25.12 Costs

The Trust or the purchaser of the Units making up the Small Holding must pay the costs of the sale as the Responsible Entity decides.

25.13 Remedy limited to damages

The remedy of a Member to whom this clause 25 applies, in respect of the sale of the Relevant Units of that Member, is expressly limited to a right of action in damages against the Responsible Entity to the exclusion of any other right, remedy or relief against any other person.

25.14 Distributions and voting suspended

Unless the Responsible Entity determines otherwise, the rights to receive payment of distributions and to vote attached to the Relevant Units of that Member are suspended until the Relevant Units are transferred to a new holder. Any distributions that would, but for this clause 25.14, have been paid to that Member must be held by the Responsible Entity and paid to that Member within 60 days after the earlier of the date the Relevant Units of that Member are transferred and the date that the Relevant Units of that Member cease to be subject to a Divestment Notice.

25.15 12 Month limit

If it is a requirement of the Listing Rules, the Responsible Entity must not give a Small Holder more than one Divestment Notice in any 12 Month period (except as contemplated by clause 25.16).

25.16 Effect of takeover bid

From the date of the announcement of a takeover bid for the Units until the close of the offers made under the takeover bid, the Responsible Entity's powers under this clause 25 to sell Relevant Units of a Member cease. After the close of the offers under the takeover bid, the Responsible Entity may give a Divestment Notice to a Member who is a Small Holder, despite clause 25.15 and the fact that it may be less than 12 Months since the Responsible Entity gave a Divestment Notice to that Member.

 - (ii) the Responsible Entity must treat Members who hold Units of the same class equally and Members who hold Units of a different class fairly, except to the extent that the Trustee directs an amount arising from the sale of an Asset to a particular Member in the circumstances described in clause 8.8(b); and
 - (iii) in addition to the requirements of clause 20, no amendment can be made to this Constitution (including for the avoidance of doubt, the rights attaching to Units of a particular Class issued under clause 4.4 of this Constitution) which would or may cause the requirements of this clause to not be met.

 - (vii) allocate costs, expenses, deductions and other similar amounts directly against the categories of income or capital to which they relate or, in any other case, perform the allocation on a reasonable basis;
 - (viii) issue particular Units on terms that those Units represent a debt-like AMIT instrument for the purposes of the AMIT Regime.
- (c) Subject to the Corporations Act, the Responsible Entity is not liable to any Member or former Member with respect to adjustments it makes to any Trust Component in applying the Unders and Overs Rules provided that the Responsible Entity makes those adjustments in accordance with the AMIT Regime and irrespective of whether any choice made by the Responsible Entity results in a different attribution outcome for the Member than if the Responsible Entity had not made the choice, or had made the choice in a different way.
